Carry Concealed Permit Applicant Instructor Evaluation Form

I've been asked from time to time what type of targets I use along with other questions that is on a new state survey you will be asked to fill out when you apply for your CCH permit. Some people may wait 3-4 Months or more before they apply for the permit and it may not be easy to remember everything. **1st. BE HONEST!** The state needs to hear feed back from you so they know what kind of instructors they have teaching for them. This is to be used as a helpful reminder only!
